

Want to be a *true* Friend of the Solvay Public Library?

A Friends group provides vital support and improvements for the Library by:

- bringing crucial library issues to the attention of the community and elected officials
- promoting public knowledge of library resources, services, and programs
- raising much-needed funds through book and bake sales and other events for the purchase of new books and other important materials
- developing cultural and literacy programs at the Library

Besides the satisfaction of helping to improve the Library, Friends members may receive:

- the Library newsletter by mail
- member discounts on Library merchandise, like totebags
- early-buy at book sales

Friends members are area residents and library enthusiasts that pay a nominal annual dues to join and are willing to devote a lot or a little amount of time to the group.

Enclosed are my membership dues:

\$5 Individual \$10 Family \$25 organizational
 free Student \$100 Lifelong

Yes! I want to be an active member. Please notify me of the date of your next meeting.
