LIBRARY BILL OF RIGHTS

The American Library Association affirms that all libraries are forums for information and ideas, and that the following basic policies should guide their services.

- Books and other library resources should be provided for the interest, information, and enlightenment of all people of the community the library serves. Materials should not be excluded because of the origin, background, or views of those contributing to their creation.

- Libraries should provide materials and information presenting all points of view on current and historical issues. Materials should not be prohibited or removed because of partisan or doctrinal disapproval.

- Libraries should challenge censorship in the fulfillment of their responsibility to provide information and enlightenment.

- Libraries should cooperate with all persons and groups concerned with resisting abridgment of free expression and free access to ideas.

- A person’s right to use a library should not be denied or abridged because of origin, age, background, or views.

- Libraries which make exhibit spaces and meeting rooms available to the public they serve should make such facilities available on an equitable basis, regardless of the beliefs or affiliations of individuals or groups requesting their use.

A member of the Onondaga County Public Library System.
CONFIDENTIALITY OF YOUR LIBRARY RECORDS

By law (see below), library staff can discuss your borrowing record only with you. This is true for both adults and children. At the Solvay Public Library, after a minor’s 8th birthday, the parent or guardian may obtain information about a child’s circulation records if the child is present and consents to the release of the information. If the child is not present, dated written consent from the child can be provided for each request.

We can identify whether a balance is due on your child’s account.

Solvay Public Library acknowledges and upholds the Confidentiality Law of New York State as set forth in Article 45, Section 4509 (1988) of the New York Civil Practice Law and Rules as follows:

“Library records, which contain names or other personally identifying details regarding the users of public, free association, school, college, and university libraries and library systems of this state, including but not limited to records related to the circulation of library materials, computer database searches, interlibrary loan transactions, reference queries, requests for photocopies of library materials, title reserve requests, or the use of audiovisual materials, films or records, shall be confidential and shall not be disclosed except that such records may be disclosed to the extent necessary for the proper operation of such library and shall be disclosed upon request or consent of the user or pursuant to subpoena, court order or where otherwise required by law.”

Exceptions to this policy and law are covered under the U.S. Patriot Act.

ACCESS TO YOUR LIBRARY ACCOUNT

At Solvay Public Library, photo ID is required for checkout of library materials and computer use. YOUR own library card will be required for checkout.

WHY PHOTO ID?

♦ Having a photo in your record protects your personal information and guards against identity theft.
♦ Having a photo in your library registration reduces the chance of someone else using your card to check materials out and run up fines.
♦ Helps the staff detect when a card may be lost or stolen even if the patron has not found it to be missing.
♦ Your photo will be in the system and only accessed when you use your card.
♦ For your convenience, your photo can be taken at any county library with the computer camera.
♦ Having a photo attached to your card registration eliminates the need to show a photo id each time you want to check something out.

WHY YOUR OWN CARD?

To protect your identity and privacy and protect your card. You are responsible for all items checked out on your card. If your card is lost and not reported lost, another patron can checkout items on your card. When staff only check-out on your account with proper identification, it avoids fines and fees incurred through use of your card by others.

You may be asked for photo verification of your identity before we take your picture. No hats, sunglasses, or other head coverings are allowed. No others will be in your photo. Over time, you may be asked to have your photo updated.
